

Conservation Corps

What is the MCC?

The Ma-Ka-Ja-Wan Conservation Corps (MCC) is a week long, half-day program for older Scouts interested in learning more about the natural world and careers in Conservation and Natural Resource Management.

The MCC will focus on restoring MKJKW's natural habitat and help future generations of Scouts explore the landscape.

Projects will range from building new trails and improving existing trails to habitat restoration and improvement

When is it?

The MCC will take action during Ma-Ka-Ja-Wan's summer camp season, from June 25 through August 7 2023

Corps Goals

The core goals of the MCC are:

- Put the Outdoor Code to practical use
- Promote Stewardship of the natural world
- Work towards the BSA's Conservation Awards
